One of SHS's good fortune over the past 42 years has been the dynamic classroom leadership and par excellence in tutorial guidance of our esteemed teacher, colleague, former coach and friend, Mr. Joseph Spitale.

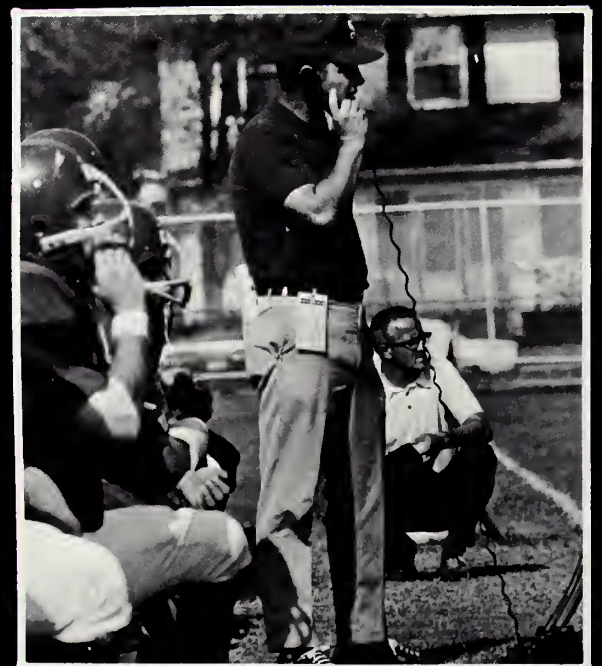

Coming to the SHS classroom from the Illinois Wesleyan Campus, Mr. Spitale brought with him the biological prowess and insights into nature that have made science what it is today.

While teaching, Mr. Spitale continued to further his professional background earning a M.S. degree at the University of Michigan and completed advanced post graduate work at M.I.T.

The unselfish devotion, and efficiency of Mr. Spitale is deeply appreciated and will long be remembered by all of us who have had the pleasure of knowing him.

It is with pride that the 1971-1972 Capitoline staff dedicates this yearbook to a man of science, Mr. Joseph Spitale.

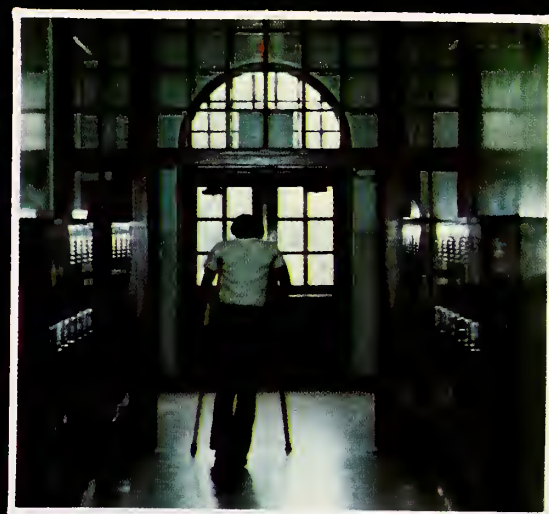

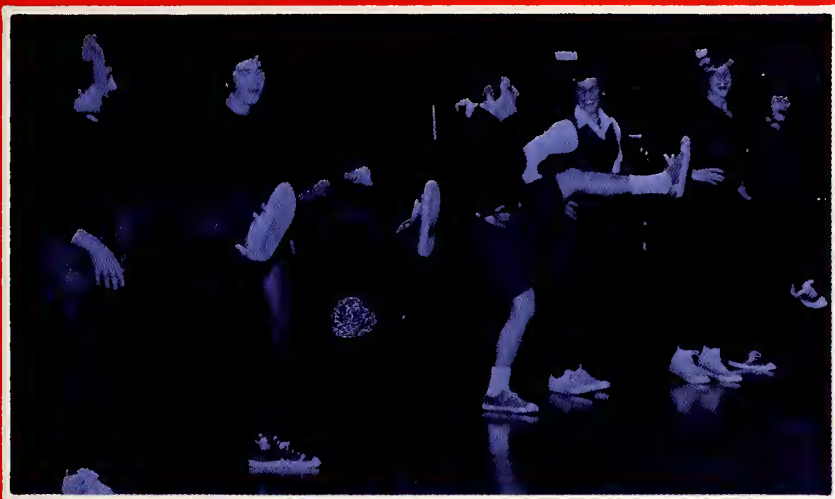

We've Only Just Begun . . .  
to step out,  
Entering the turbulent world  
Leaving the protection of shelter,  
tradition, routine,  
So many roads to choose  
We'll start out walking  
and learn to run.

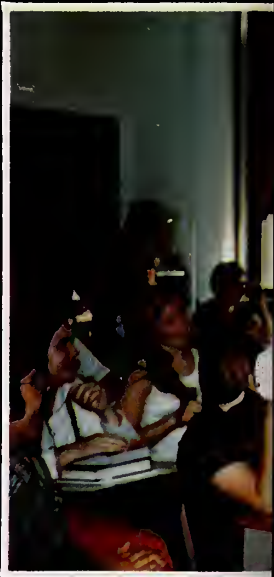

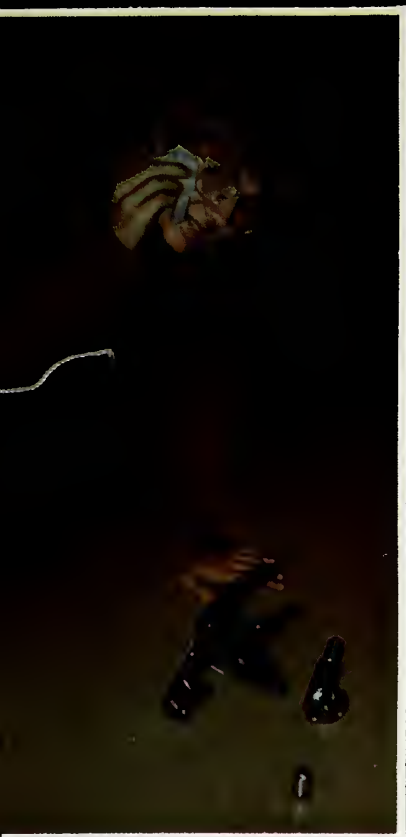

We've Only Just Begun . . .  
to expand,  
Building our lives from trial and error  
Gaining knowledge through competition and participation  
in organizations, sports, events,  
Sharing horizons that are new to us.

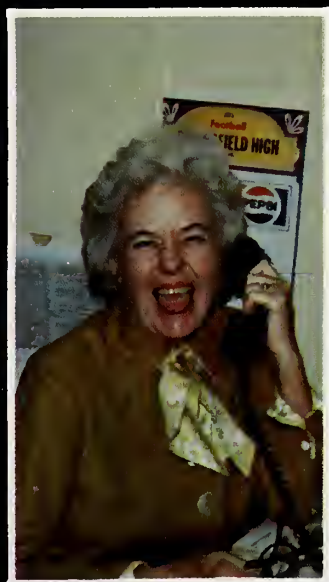

We've Only Just Begun . . .  
to reach,  
Making new friends  
relating to others and ourselves,  
looking beyond the smile,  
the frown, the tear,  
Working together day to day.

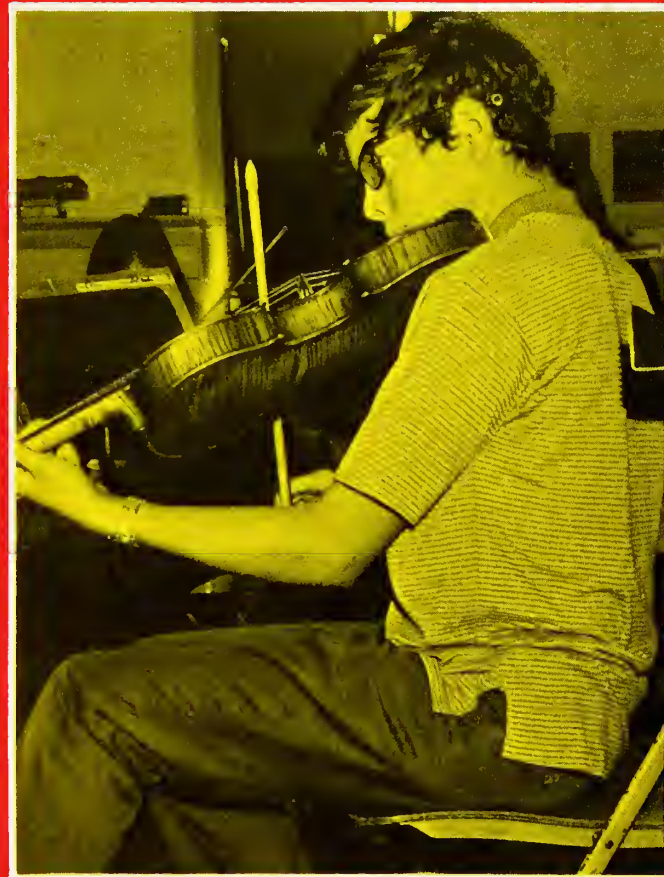

We've Only Just Begun . . .  
to grow,  
Expanding from experiences,  
shaping our lives through the  
outside world, school, love.  
So much of life ahead,  
We'll find a place where there's room to  
grow.

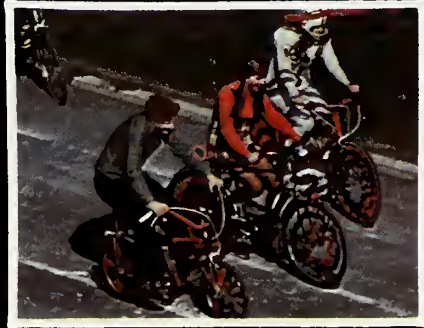

We've Only Just Begun . . .  
to learn,  
experiencing through good and bad  
Realizing our potentials through classes  
cars, books, people,  
Watching the signs along the way.

We've Only Just Begun . . .

to love

Experiencing together the simple joys,

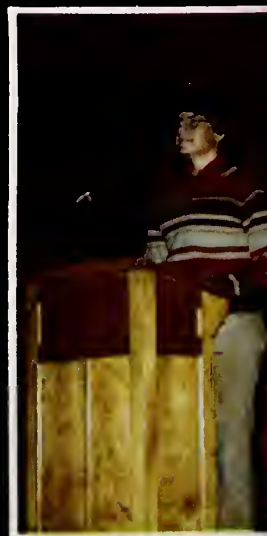

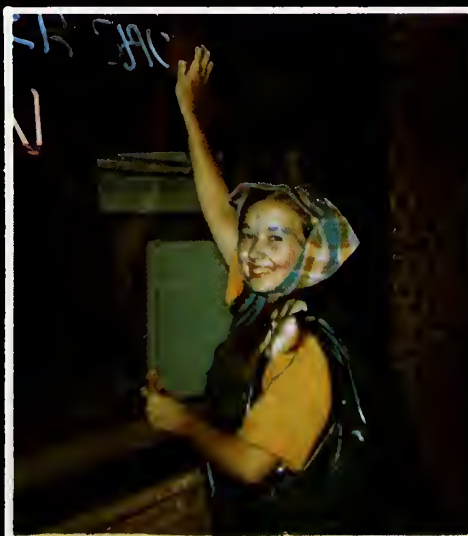

Learning the sensitivities of another being,

Knowing someone's there to share,

help, cherish, understand,

Talking it over — just the two of us.

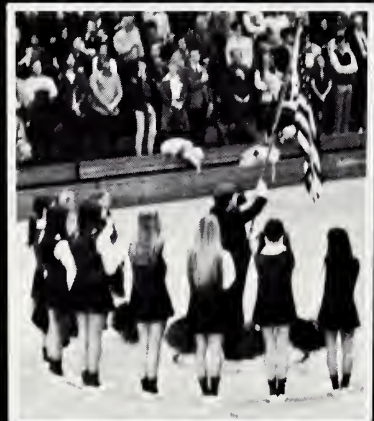

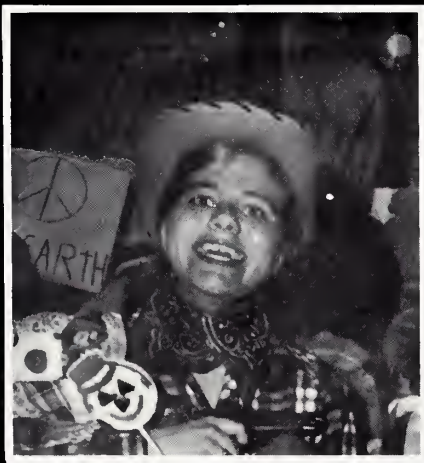

We've Only Just Begun . . . to live.

## S.H.S. Students Tour Europe and Mexico!

S.H.S. and area high school students spent three weeks on Mr. Fugate's annual European Trip and Mrs. McCoy's annual Mexico Tour. The European group visited Holland, Germany, Austria, Italy, Switzerland, France, Belgium, and England. Highlights of the tour included an 80 mile cruise down the legendary Rhine, visits to St. Peters Basilica in Rome, Westminster Abbey in London, and a typical English fog that enshrouded the group's boat from Belgium to Dover.

The members of the Mexico tour one of the many beautiful sights.

## Repeat City Win

This year's varsity squad, coached by John Sowinski, was led by an outstanding group of seniors. The team started off the season with an emotion-filled victory over arch-rival Griffin. Other highlites came in victories over Urbana and Bloomington.

Those people who think that the football season ends with the last game are wrong. Players work long hours in the summer, lifting weights, running, and exercising to prepare for the upcoming season.

## Freshman Repeat As City Champs

Coach Mel Knotts and assistant Bill McGee guided the frosh to its second undefeated season. This is a real accomplishment considering the fact that all three football squads practice on the same field at the same time. An explosive offense powered by Willie Collins, Mark Ripka, and Herb Worker combined with a stout defense for six impressive wins.

The Sophomore team dipped from its undefeated record of the previous year to a 2-3-2 record. On four occasions the defense posted shutouts, but the offense was not able to score during two of these games. Six sophomores did see action on the varsity level.

# WRESTLING

Considering eight freshmen and sophomores wrestled on the varsity squad, the S.H.S. grapplers finished with a fairly successful season. Team accomplishments included Junior Varsity and freshman city titles and a fourth place finish in the district by the varsity.

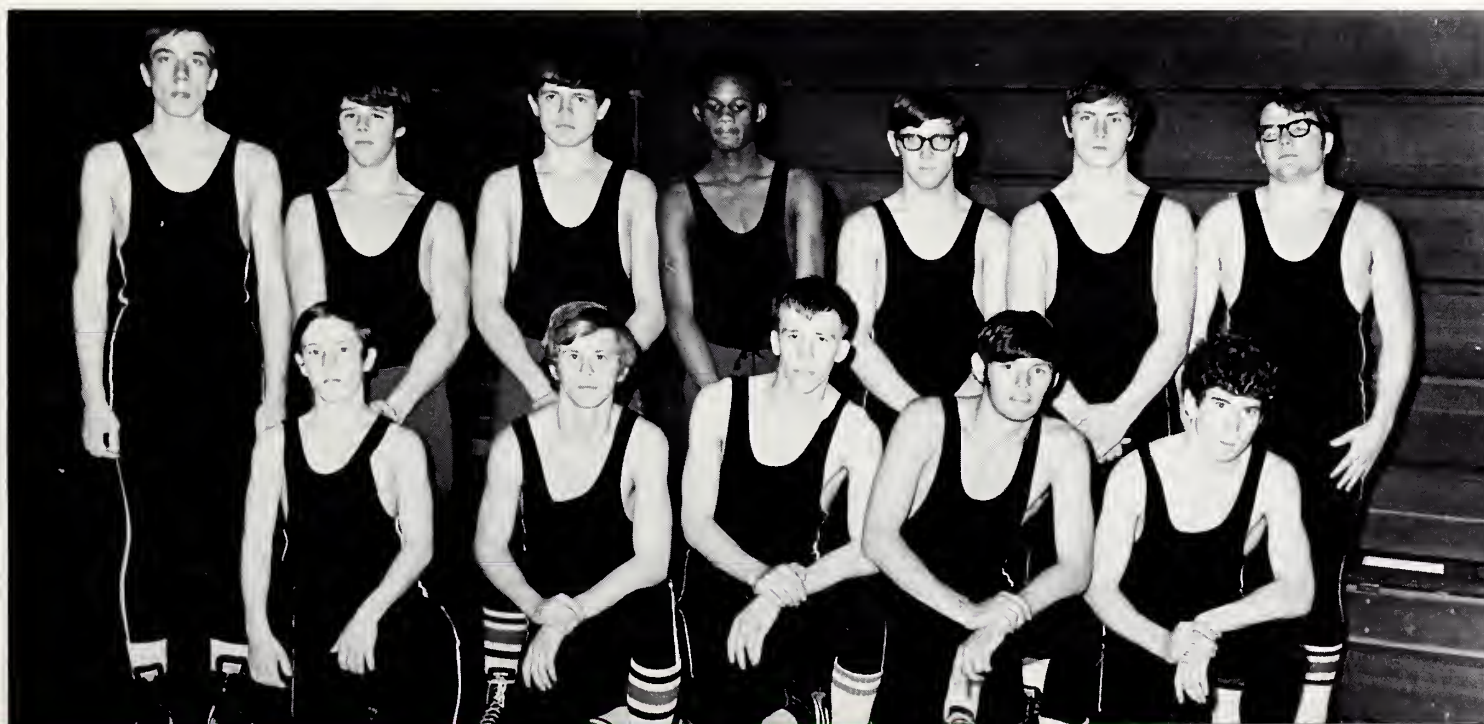

Individually, Dave Fricke advanced to the state meet compiling a 29-6 record. Other outstanding wrestlers included Bob Groesch (20-8) and Kevin Kazmaier (21-8).

# S.H.S. TANKERS CONQUER BIG 12

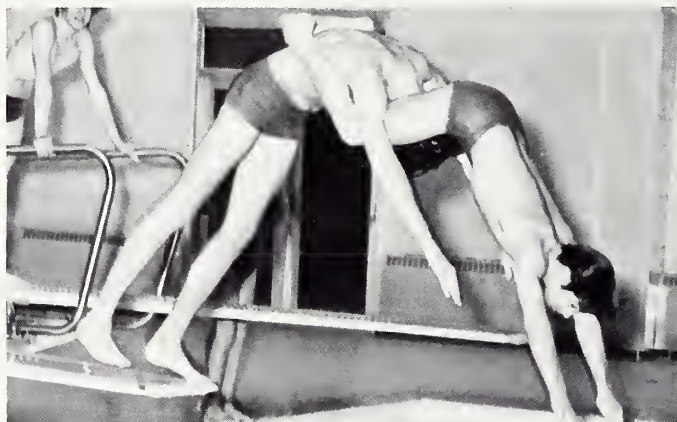

Leading Big 12 to a great victory for S.H.S., the swim team upheld it's fine record of outstanding performance. Adding first in City and second in District to their traditional winning streak, "Big Bob" and his gang worked hard the entire season. The 400-yard free relay, comprised of Gary Hopwood, Dave Tungett, Mark McCurdy, and Mark Killion won many close meets with their last minute victories. Rich Eckerstrom, Mark Killion, and the 400 relay qualified for State, with Killion placing 3rd and 4th.

Senator Basketball Team, who got off on a shaky start, came back strongly during the later part of the season. Although their won-loss record was below the five-hundred mark, the Varsity walloped previously unbeaten Lincoln and narrowly missed beating fourth ranked Quincy in one weekend. Looking ahead to next season, Coach Keefner remarked, "With the loss of just two members of the Varsity we are expecting a much improved won-loss record over the 1972 campaign."

VARSITY COACHES: Norm Keefner and Don Yutzy.

# SOPHS TAKE BIG 12.

## SHS Sophomores Finish Season Undefeated

The 1972 Senators Sophomore Basketball team compiled a record that speaks for itself. Coach Clark Barnes said that this was probably the best group of sophomore and freshman players that S.H.S. has had in some time. Key points in the success of the team were their tremendous depth and a tough defense.

## HEY FRESHMEN!

Friday I interviewed the freshmen class president. Before the interview, I had noticed that some of the freshmen thought our president was not doing anything. Craig had noticed it too. During the interview the subject was brought up. He said that the officers themselves could not run the class nor was the class contributing any ideas for projects. Craig and Susie both urge the freshmen class to become involved. When a project comes up support it, volunteer to help, suggest something.—GET INVOLVED.

## Philos Hold Goodies Drive

If you are a Philo, you are already aware what's going on. If not, you may want to.

This year Philos, a SHS girls' service club is handling not one or two but three service projects. They are: 1) Collecting canned vegetables and fruit goods to give to families whose Christmas dinners might be extra special this year simply because they have this extra food, 2) Bring old clothes, toys, or accessories for the mentally retarded children at Lincoln State School. Conditions are really bad at the school and the students can really use the clothes, or 3) Christmas Caroling at the Homestead or Dirksen nursing homes. The girls are required to do two of the three projects and they may do a third for extra points. So far, the results have been very good. I'm sure the end result will be, too.

## Vandalism

As most of us know, a vandalism took place early Friday morning and several flats were destroyed. It was a shame that it happened, but I, and I'm sure the cast does too, send very special thanks to everyone who fix the damage done and get the show back on the road. Those students and families who didn't show up Friday or Saturday sure missed something great. And those who did show up were probably surprised to see "Harvey" "show up" at the last minute. ED SELINGER was the lucky one to be wrapped up in bunny ears and cotton-tail.

G. Hershey

Composed of a traditional volunteer staff the first semester, and then taken over by Mrs. Neece's journalism class the second semester, The Senator Staff worked for a more organized and original paper. The program is an excellent opportunity to gain experience in the business world and to earn money as well. O.O. also provides a head start in obtaining jobs after graduation.

Some of the activities held by the Office Occupations Club were the sale of Val-O-Grams, a get-acquainted picnic at the lake, an Ice Skating and Pizza party with the Lanphier and Southeast O.O. classes, several bake sales, and a car wash.

At the end of the year, the students treated their employers to dinner at the annual Employer-Employee Banquet.

A few of the many activities of the year included a speaker on office poise and charm, a tour of the Senate and Chamber of Commerce, and a demonstration on Court Reporting. An enthusiastic membership participated in projects which included: a rummage sale, candy sales, and bake sales. These support our activities.

The highlights this year: a foreign student weekend, to host a foreign exchange student, to send one of our members to spend a summer with a foreign family abroad, and the A.F.S. Assembly — a report from our student abroad and an interview with two SHS Swedish students. Thus again, giving all of us an opportunity to learn more of other countries and their people.

Prom Committee broke tradition by voting this year's prom to be held at the Holiday Inn East Ballroom. The money saved on the extensive decorations needed to transform our gym will be used to rent the room for both prom and after-prom. With only a hundred dollars short at the beginning of March, the committee is confident of their plans. Other projects to bring in money before the end of the year will be "The Night at the Races", a bakesale, and the ticket money itself.

Once there was a Senior class . . .  
It laughed,  
And learned,  
And grew.

From confused and razzled freshmen,  
To an organized body, experiencing the new.  
Leading, as well as following,  
Working together for a common goal.  
It found guidance for the world surrounding,  
As well as meaning for the entire soul.

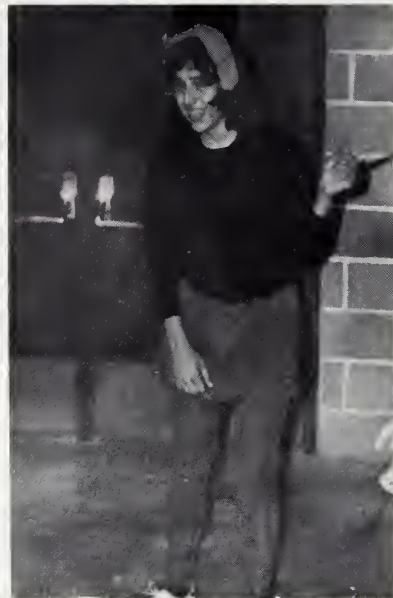

Classes became days . . .  
Weeks became months . . .  
As our dreams became reality,  
Our potentials were realized for once.

And when this fact had been accepted,  
We stood proudly together, proven at last.  
For on the day of graduation,  
There was no more a Senior class.

In it's place stood individuals,  
Each unique in the road he'd traveled,  
But ALL united . . .  
By the memories they'd gathered.

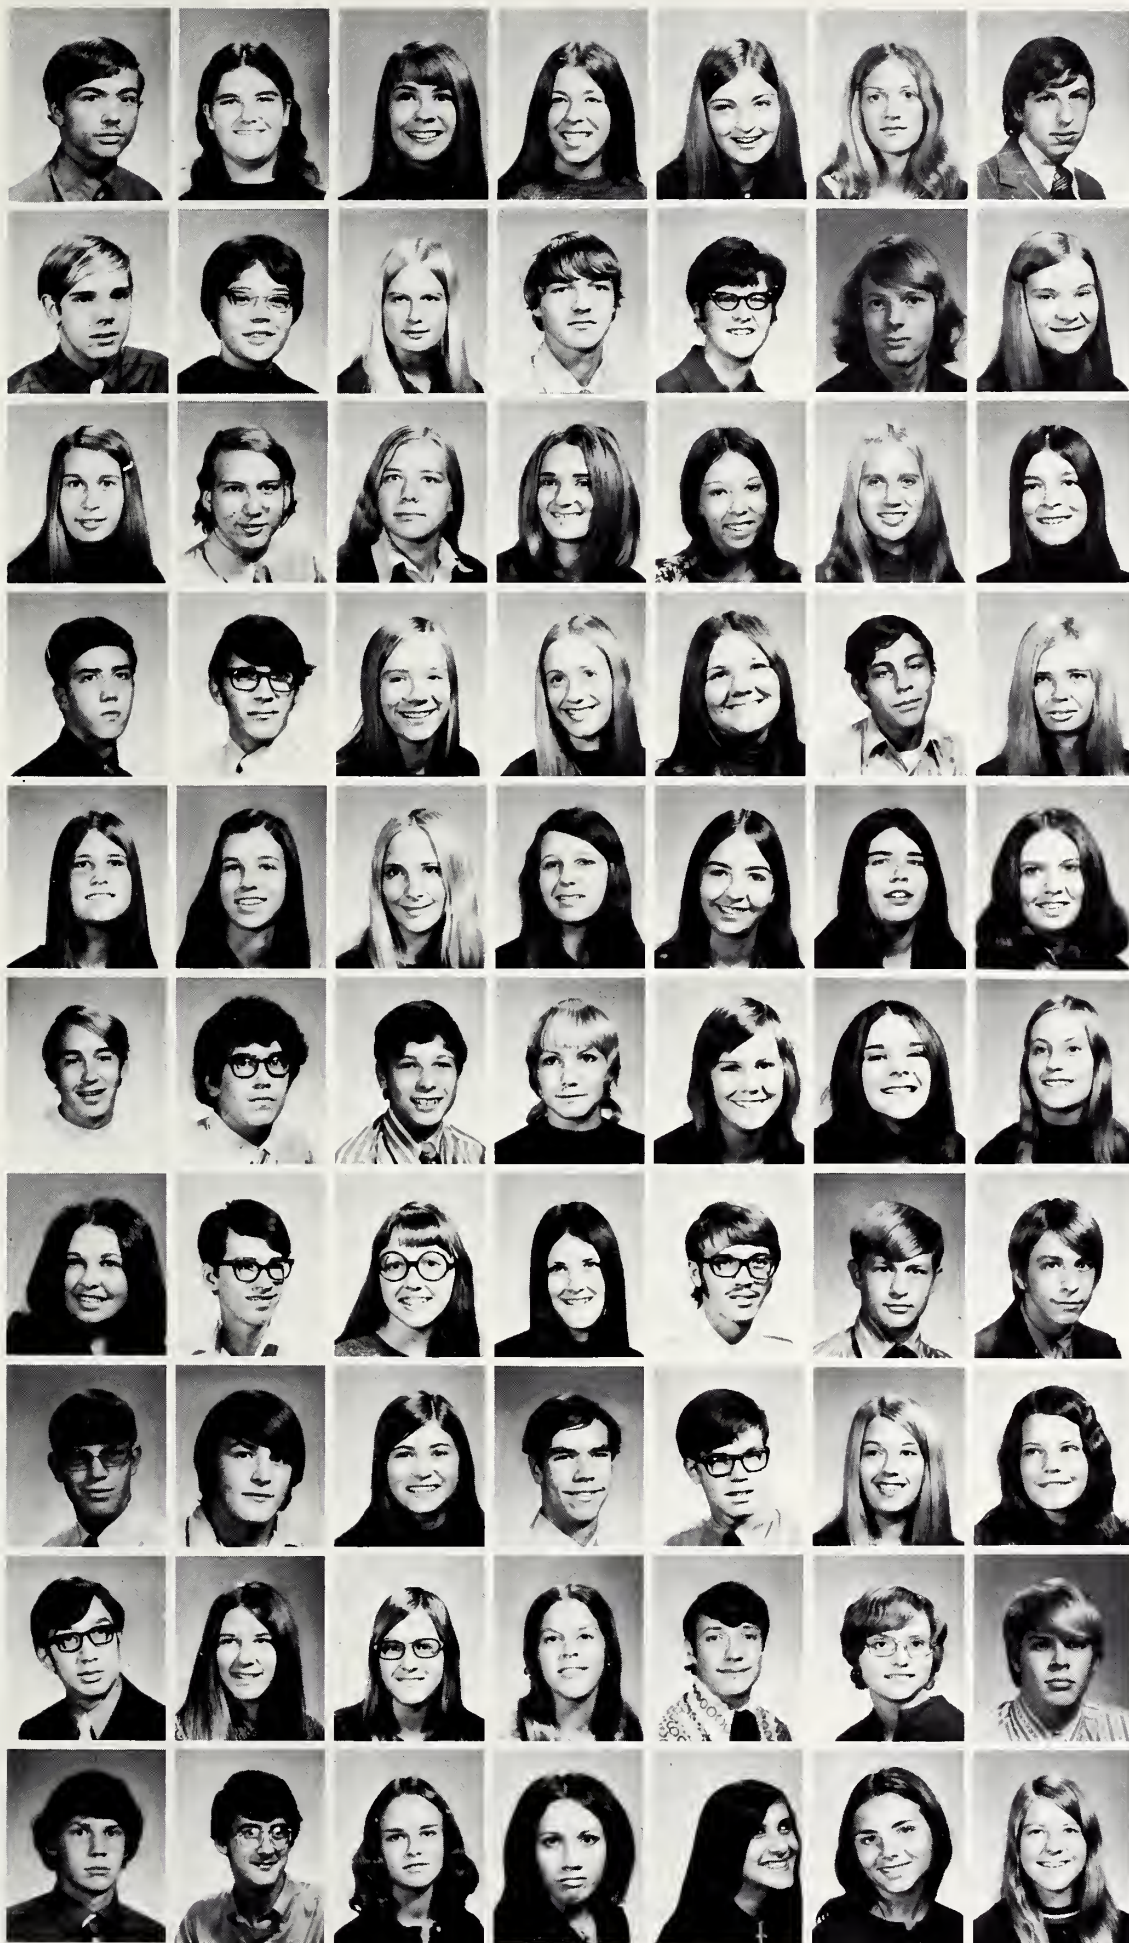

This section is for you, Laura Smith, Bill Henry and Lynda Saccaro.

The Junior class was busy all year with many activities including a Christmas dance "The Holly Follies", A Night at the Movies, the homecoming float which placed third, and the regular bakesales and car washes.

Perhaps the most entertaining if not outstanding accomplishment of the class this year was the premiere of JR. CLASS TRASH which regularly littered the halls with smut and garbage.

Fanny Hill?

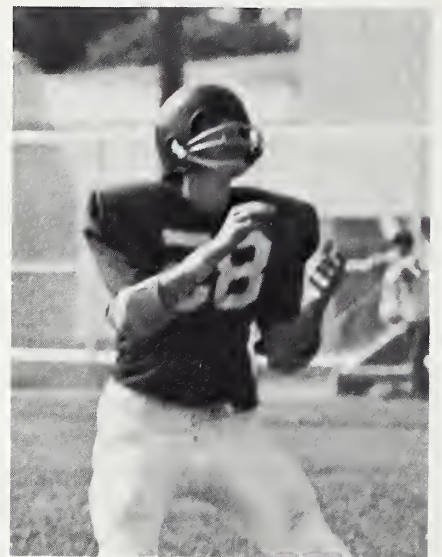

"I've been run over 5 times already today!"

The seats aren't much but the wallpaper is BEAUTIFUL!"

Decisions, decisions.

"Look, it's Haley's Comet!"

People sure do strange things in gym class!

Listen up, you guys . . .

The "Pincher" strikes again!

Awright you DING-DONGS, this is a M-I-C-R-O-P-H-O-N-E.

Aren't you a little old for Hide-and-Seek?

... and his shirt doesn't say ANYTHING!

The Holly Follies was a "smashing" success.

GOTTCHA!!!

The morning after ...

## Sophomore Class

A very enthusiastic sophomore class worked hard the entire year. Building Homecoming's 2nd place float and collecting \$50. for "Friend-In-Deed" were two of their worthwhile projects. Among the usual carwashes and bakesales, their dance was the biggest money making project of a very profitable year. Wynn Ann Cole — Secretary, Betsy Fletcher — Vice President, Dede Cochrane — Treasurer, Joe Linder — President.

Equality is the echo of brotherhood,  
Justice is its companion,  
But that doesn't mean equality is  
sameness.

It is only the right of the people to express  
their individuality

Waiting tempers patience,  
Time calms the storm,  
But that doesn't mean the winds that drive  
the storm are gone;  
Only the clouds have cleared away.

Education bears the gift of freedom,  
The mind opens the package,  
But that doesn't mean that school is  
knowledge.  
For school is only the wrapping paper and  
eventually discarded.

Kelli Scott

Mrs. Turner -

I truly enjoyed  
your class this  
year. It was  
very different from  
any I've had before.  
Hope to see you  
next year.

Mrs. Turner

What I have seen of you

I think I would have  
been met to be in  
your English class.

Have a wonderful

Mrs. Turner
